THAI BUFFET

If you have an allergy, please talk to a member of our team. Dishes may not contain specific allergens, however our food is prepared in areas where there is a risk that cross contamination may occur.
Ingredients containing allergens which are deep fried in our kitchens may use the same fryers as ingredients which do not contain allergens. Products containing allergens may be cooked in the same fryer as chips.
Deep fried meat and fish/shellfish products may be cooked in the same fryer.
